

How to participate:

1. Register and get your reading log.
2. Read, read and read.
3. After finishing a book, write down the author and title in here. Remember, picture books and easy readers **do not** count.
4. Fill out a review card in the Children's Room. (This is optional).
5. Check out the reviews from other readers, or ask the Children's Librarian for help for new books to read.
6. Keep going until the end of December. Pick up additional log pages if you run out of space.
7. Join us in December for a Chapter Book Challenge Party.
